

CONCURE 670 Crack Fill Binder

Concure Systems Crack Fill Binder is designed to fill and moisture proof saw cuts, cracks, cold and construction joints. 670 CFB is to be used in conjunction with all Concure Systems' Flooring and Concrete Moisture Prevention Systems to provide a complete moisture vapor barrier system on new slabs, existing slabs and renovations for total peace of mind.

Concure Systems 670 Crack Fill Binder Benefits:

- Eliminates all potential avenues of moisture to migrate.
- Crack Fill Binder has minimal elastic properties.
- Compatible with ALL floor coverings, coatings and adhesives for porous & non-porous surfaces.
- Provides complete package ensuring successful flooring/coating installations.
- Zero (0) VOC's / LEED Contributory when used as system.
- Easy application. V-groove, clean-out, vacuum, prime and apply.
- Renders saw cuts, cracks, cold and construction joints impermeable to moisture with LIFETIME benefits when used in conjunction with all Concure's Flooring and Concrete Moisture Prevention Systems.
- Easy to mix packaging. Approximate 150 l/f coverage per unit
